Lake Canyon Elementary School

Lake Canyon's Essential 33 and House System- The goal of the Lake Canyon Essential 33 and House System is to strengthen our implementation of a supportive and engaging environment. Through the implementation of Lake Canyon's Essential 33 and the House System there will be constant encouragement for students to do their best. The positive attitudes of students toward one another and toward the school will continue to increase.

Planned benefits to students:

• Being a part of a smaller community helps students acclimate quickly to their school environment and experience an immediate sense of belonging.

• Students have a team of caring faculty/staff mentors.

• It allows students to have an opportunity to interact with students from all grade levels.

• It increases opportunities for student leadership.

• It reinforces our campus essentials and expectations
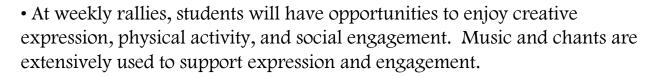

• It can be a source of positive peer-pressure and motivation that can have a positive effect in the classroom.

• At weekly rallies, students will have opportunities to enjoy creative expression, physical activity, and social engagement. Music and chants are extensively used to support expression and engagement.

• Studies show that schools with House systems have happier, more engaged students and have more school spirit than they did before a House system was implemented.
